

# Bhartiya Bhashaon Mein Dwitiya Antarrashtriya Vigyaan Sangoshthi

<http://hi18.vigyanprakash.org>

Please refer to the website for the latest conference information.

## Chief Advisor:

Prof. Om Vikas  
Ex-Sr. Director MEIT, Govt. of India and  
Ex-Counselor (S&T), Indian Embassy,  
Japan.

Prof. Gurdeep Singh Hura,  
Chair Professor and, University of  
Maryland Eastern Shore, Maryland, USA

Prof. San Murugesan,  
PhD, Adjunct Professor, Western Sydney  
University, Director, BRITE Professional  
Services, Sydney, Australia

## Conference Chair:

Prof. Ashutosh Kumar Singh,  
Head of Department of Computer  
Application, NIT Kurukshetra, India

## Secretary:

Dr. Kapil,  
DCA, NIT Kurukshetra, India

Dr. Sarika Jain,  
DCA, NIT Kurukshetra, India

## Advisory Committee:

Dr. Atef Shalan,  
Alderson Broddus University, USA

Dr. Devanjan Bhattacharya,  
Science & Technology, GEO-C, Nova  
Information Management School, Campus  
de Campolide, 1070-312, Lisbon, Portugal.

Dr. Fadl M. Ba-Alwi Assoc. Prof.  
Dean of Faculty of computer and IT, Sana'a  
University, Yemen

## Call for Research Article/Workshop/Technical Report

Innovation plays the main role in the Industrial and Economic growth of a country. In 2009, the Boston Consulting Group, the National Association of Manufacturers and the Manufacturing Institute jointly produced International Innovation Index that measures the level of Innovation of a country. India ranked 15th among large countries and 46th among small and large countries. One of the main identified reasons for such low rank is that within secondary and higher secondary education system the science and technology education is not in Indian Languages in India. It is in English which causes Indian students mug up science. And that's why they are not able to understand & solve practical problems involving science and technology. In continuation to solve these issues, a team of committed academicians came forward and is organizing a **Digital Conference** that provides a platform to communicate Scientific and Technological discoveries in Indian Languages by bridging the geographical boundaries.

"Bhartiya Bhashaon me Dwitiya Antarrashtriya Vigyaan Sangoshthi (BBAVS-2018)" has been scheduled on December 21, 2018 in this direction. It will provide a platform for researchers to make scientific and technical discoveries in Indian languages.

The submissions have been invited from related fields: **Mathematics, Science (Physics, Chemistry and Biology), Economics, Management, Engineering, Medicine, Innovation / Jugaad.**

## Guidelines for proposing Research Article/Workshop/Technical Report

You can choose any language from **Hindi, Punjabi, Bengali, Tamil, Marathi** as the medium of language and presentation of letters. The maximum length of the research paper will be 4 to 6 pages.

**This Digital Conference will be organized through YouTube. All accepted papers will be published in An International Journal of Engineering Sciences, Peer Reviewed Journal. ISSN: 2320-0332.**

See <http://hi18.vigyanprakash.org> for more information and workshop presentation. To send your article, visit the easy chair link at <https://easychair.org/conferences/?conf=bbavs2018>. And for any other information and suggestions please feel free to email [conference@vigyanprakash.org](mailto:conference@vigyanprakash.org).

## Registration

Every person interested in participating in the conference will have to register by filling the registration form at the website. The registration fee for Indian nationals and foreign nationals is as follows-

Category	Before November 30	After November 30	On Spot
Faculty and industry representative	INR 500/ USD 10	INR 1500/ USD 20	INR 2000/ USD 30
Student / Research Scholar	INR 500/ USD 10	INR 1000/ USD 15	INR 1500/ USD 20

### Important Dates

**Conference Date:**

December 21, 2018

**Submission Deadline:**

October 31, 2018

**Acceptance Notification:**

November 15, 2018

**Last Registration Date:**

November 30, 2018

**Contact:**

**Dr. Kapil, Dr. Sarika Jain**

Department of Computer Applications,  
NIT, Kurukshetra, Haryana, India, 136119

**e-Contact:**

**Phone:** +91-1744-233540

**Website:** <http://hi18.vigyanprakash.org>

**Email:** [conference@vigyanprakash.org](mailto:conference@vigyanprakash.org)

**Article Submission:** <https://easychair.org/conferences/?conf=bbavs2018>
